Focus

The 9th International Water Association (IWA) Membrane Technology Conference & Exhibition for Water and Wastewater Treatment and Reuse (IWA-MTC 2019) is the next international meeting for the community on « membrane for water ».

The IWA- Membrane Technology Conferences are organised in a different country each time. Locations have been Séoul (Koréa) in 2004, Harrogate (UK) in 2007, Beijing (China) in 2009, Aachen (Germany) in 2011, Toronto (Canada) in 2013 and Singapour in 2017. IWA is pleased to deliver IWA-MTC 2019 in Toulouse, France.

This event aims to share advance knowledge and experience in the innovation and utilization of membrane technology for water and waste water treatment and desalination. It will provide a forum for scientists and professional working in the membrane sector of the water industry or in the water sector of membrane industry to present their work and new technologies and enlighten the ways to thinking membrane and membrane processes and their applications each other.

IWA-MTC 2019 is designed to be the place where ideas are introduced and the opportunity is provided to interact with the best scientists and professionals in the field of membrane technologies and processes for water. For those who are proposing new ideas and concepts, and those looking for them, this is the one conference that should not be missed.

Some Key Topics

Different water applications for membranes and membrane processes

- Drinking water treatment
- Domestic wastewater treatment and reuse
- Industrial wastewater treatment, recycling and reuse
- Desalination and brine disposal
- Produced water
- Water for remote places
- Water production at the point of use

Conventional and innovative membranes and processes for water, including

- Hybrid membrane processes (membrane bioreactors, ozonation and membrane,...)
- Membrane distillation and other membrane contactors
- New membranes and module design
- Novel configurations in membrane processes

Fundamentals of membrane processes for water treatment

- Membrane fouling/scaling mechanisms, control and prevention
- Process modeling and simulation
- Membrane integrity and retention of emerging pollutants

Membranes in the water and energy nexus and for sustainability

- Energy efficiency in water production and treatment
- Water production by renewable energies
- Resource recovery using membrane processes
- Towards Zero liquid discharge
- Life cycle analysis and environmental optimisation of membrane processes

chair of IWA-MTC 2019

Prof. Xia HUANG,
chair of IWA specialist group on Membrane Technology

For Greater Visibility Become a Sponsor and Promote Directly to Your Target Audience

Being a conference sponsor leverages your business (and brand image) presence in front of more than 400 water leaders and professionals in your market base. Sponsorships enhance your company's visibility and create greater awareness for your branding, products, and/or services in the minds of the conference attendees.

Benefit from an integrated marketing and promotional campaign that positions your organization as a premier source for solutions and advice. Each opportunity offers multiple branding exposures before, during, and after the show at price points designed for any marketing plan.

10 Reasons to sponsor IWA-MTC 2019

- 1 Joining the world's leading institutions, companies and other organisations involved in the development of membrane technology and its application in water supply and waste water treatment both in high and low income countries.
- 2 An unique opportunity to be in contact with over 400 delegates and visitors drawn from a wide range of organisations working across all aspects of membrane in water, from over 40 countries worldwide.
- 3 Exhibiting at the world's premier membrane and water event will highlight your company as a leading entity in the sector.
- 4 A focus on emerging concepts, technologies, innovations and solutions to challenges faced in membrane manufacturing and process design and operation in many water relative application, and in the integration of membrane process in sustainable water treatment routes.
- 5 A wide range of networking opportunities available during the event.
- 6 A wide range of networking opportunities available during the event.
- 7 A feed back and opportunities of discussion on the operation of new membrane plants and testing of new concepts and technologies
- 8 Specially-tailored sponsorship and partnership opportunities.
- 9 An opportunity to play a leading role of an inspiring event that will take place in an attractive and unique destination, with the possibility of technical visits.
- 10 Co-organisation by IWA, a trusted and professional association with an excellent reputation and track record of delivering high-profile international events around the world.

Sponsorship

Platinum Sponsor 32 000 €	Gold Sponsor 16 000 €	Silver Sponsor 10 000 €
<ul style="list-style-type: none"> • Logo on all conference marketing and promotional materials • Speaking opportunity at conference opening • 1 table-top exhibition space • 3 complimentary delegate invitations to the conference • 3 complimentary tickets to welcome reception and conference dinner • Full-page colour advertisement on back cover of conference program (sponsor to provide artwork) • Opportunity to include one promotional material/giveaway item in delegate satchel • One-time pull of pre-registered and final attendees list 	<ul style="list-style-type: none"> • Logo on all conference marketing and promotional materials • Logo and profile (150 words) in conference website and program • Logo on the opening audio-visual slide at the start of all sessions • Speaking opportunity at awards ceremony (part of the closing session) • 1 table-top exhibition space • 2 complimentary delegate invitations to the conference • 2 complimentary tickets to welcome reception and conference dinner • Full-page colour advertisement on inside front cover of conference program (sponsor to provide artwork) • Opportunity to include one promotional material/giveaway item in delegate satchel • One-time pull of pre-registered and final attendees list 	<ul style="list-style-type: none"> • Logo on all conference marketing and promotional materials • Logo and profile in conference website and program • Logo on the opening audio-visual slide at the start of all sessions • 1 table-top exhibition space • 1 complimentary delegate invitations to the conference • 1 complimentary tickets to welcome reception and conference dinner • Half-page colour advertisement on inside front cover of conference program (sponsor to provide artwork) • Opportunity to include one promotional material/giveaway item in delegate satchel

Conference Dinner Sponsor (Exclusive) 25 000 €	Welcome Reception Sponsor (Exclusive) 18 000 €
<ul style="list-style-type: none"> • Logo on all conference marketing and promotional materials • Logo and profile (200 words) in conference website and program • Speaking opportunity at dinner • Opportunity for corporate branding and display at dinner venue • Opportunity to select one giveaway item to be distributed to delegates at dinner • 2 complimentary delegate invitations to the conference • 4 complimentary tickets to conference dinner • Half-page colour advertisement on inside back cover of conference program (sponsor to provide artwork) • One-time pull of final attendees list 	<ul style="list-style-type: none"> • Logo on all conference marketing and promotional materials • Logo and profile (150 words) in conference website and program • Speaking opportunity at reception • Opportunity to select one giveaway item to be distributed to delegates at reception • 2 complimentary delegate invitations to the conference • 4 complimentary tickets to welcome reception

Satchel Sponsor (Exclusive) 3 500 €	Lanyard Sponsor (Exclusive) 3 500 €
<ul style="list-style-type: none"> • Logo on select conference marketing and promotional materials • Logo and profile in conference website and program • Corporate design in full side on one side of conference satchel • 1 complimentary delegate invitation to the conference 	<ul style="list-style-type: none"> • Logo on select conference marketing and promotional materials • Logo and profile in conference website and program • Logo in full colour on delegate lanyard • 1 complimentary delegate invitation to the conference
